

Fill in the gaps

Nothing's impossible
Nothing's unreachable
When I am weary
You make me stronger
This love is beautiful
So unforgettable
I feel no winter cold
When we're together
When we're together
Will you (1) by me?
Hold on and never let me go
Will you (2) by me?
With you I know I belong
When the story gets told
When day turns into night
I look into your eyes
I see my (3) now
All the world and its wonder
This love won't fade away
And through the hardest days
I'll never question us
You are the reason
My (4) reason
Will you stand by me?

Hold on and never let me go
Will you stand by me?
With you I know I belong
When the story gets told
I am blessed
To find (5) I need
In a world (6) hope
You're my only belief
You make things right
Everytime after time
Will you stand by me? (stand by me)
Hold on and never let me go
Will you stand, stand by me? (stand by me)
Will I be a part of your life?
When the (7) gets told
(Woo)
Stand by me
No more darling
See I want you by my side
See I need you here with me
Stand by me
