

## Fill in the gaps

Nothing's impossible	Hold on and never let me go
Nothing's unreachable	Will you (14) by me?
When I am weary	With you I (15) I belong
You make me stronger	When the story gets told
This love is beautiful	I am blessed
So unforgettable	To find what I need
I (1) no (2) cold	In a (16) loosing hope
When we're together	You're my (17) belief
When we're together	You (18) things right
Will you (3) by me?	Everytime (19) time
Hold on and never let me go	Will you (20) by me? (stand by me)
Will you stand by me?	Hold on and never let me go
With you I know I belong	Will you stand, (21) by me? (stand by me)
When the story (4) told	Will I be a (22) of your life?
When day (5) night	When the (23) gets told
I (7) into (8) eyes	(Woo)
I see my (9) now	Stand by me
All the world and its wonder	No more darling
This love won't fade away	See I want you by my side
And (10) the hardest days	See I need you (24) with me
l'II (11) us	Stand by me
You are the reason	
My only reason	
Will you (13) by me?
