## SUB Singles

Far away from London town and the rain It's really very nice to be home again

## Fill in the gaps

## Going To Barbados by Typically Tropical

| Ladies and gentlemen                                    |                            | Mary Jane met the Coconut airplane                |
|---|----------------------------|---|
| This is captain Tobias Wilcock welcoming you aboard     |                            | Now I know, she loves me so                       |
| Coconut Airways (1)                                     | 372 to Bridgetown          | (Woah) I'm (5) to Barbados                        |
| Barbados  |                            | (Woah) Back to the palm trees                     |
| We will be flying at a height of 32000 feet             |                            | (Woah) I'm going to see my girlfriend             |
| And at an (2)   | of approximately 600 miles | (Woah) In the sunny Carribean sea                 |
| per hour  |                            | Ladies and gentlemen, we are now commencing       |
| Refreshments will be (3)                                | after take-off             | Our approach (6) (7)                              |
| Kindly fasten your safety belts                         |                            | Barbados  |
| And refrain from smoking until the aircraft is airborne |                            | The weather is fine, with approximate temperature |
| (Woah) I'm (4)  | to Barbados                | Of (8) degrees Fahrenheit                         |
| (Woah) Back to the palm trees                           |                            | The sky is blue                                   |
| (Woah) I'm going to see my girlfriend                   |                            | And the palm trees are really cool                |
| (Woah) In the sunny Carribean sea                       |                            | Captain Wilcock and his crew                      |
| I don't wanna be bus driver                             |                            | Hope you have had a pleasant flight               |
| All my life   |                            | And that you will fly Coconut Airways again       |
| I've seen too much of Brixton town                      |                            | (Woah) I'm going to Barbados                      |
| In the night  |                            | (Woah) Back to the palm trees                     |
| Fly away on Coconut Airways                             |                            | (Woah) I'm going to see my girlfriend             |
| Fly me high, Barbados sky                               |                            | (Woah) In the sunny Carribean sea                 |
| I look up at the sky                                    |                            | (Woah) I'm going to Barbados                      |
| And I see the clouds                                    |                            | (Woah) Back to the palm trees                     |
| I look down at the ground                               |                            | (Woah) I'm going to see my girlfriend             |
| And I see the rain go down the drain                    |                            | (Woah) In the sunny Carribean sea                 |
| Fly away on Coconut Airways                             |                            | (Woah) I'm going to Barbados                      |
| Fly me high, Barbados sky                               |                            | (Woah) Back to the palm trees                     |
| (Woah) I'm going to Barbados                            |                            | (Woah) I'm (9) to see my girlfriend               |
| (Woah) Back to the palm trees                           |                            |   |
| (Woah) I'm going to see my girlfriend                   |                            |   |
| (Woah) In the sunny Carribean sea                       |                            |   |
