

## Fill in the gaps

(Oh eh hey, oh)	There's something in these futures
What we're living in	That we (17) to be told
Let me tell ya	Futures
It's a (1) (2) man can eat at all	Made of
When things are big that (3) be small	Virtual insanity, now
Who can tell	Always
What magic spells	Seem to
We'll be doing for us	Be (18) by (19)
And I'm giving all my love to this world	(20) we have for
Only to be told	Useless
I can't see	Twisting
I can't breathe	Of our new tecnology
No more (4) we be	Oh now (21) is no sound
And nothing's going to (5) the way we live	For we all live underground (whoa!)
'Cause we can always (6) but (7)	Now there is no sound
give	If we all live underground
And now that things are changing for the worse, see	And now it's virtual insanity
(Whoa!)	Forget your virtual reality (oh!)
It's a (8) world we're living in	There's nothing so bad
And I (9) can't see (10) half of us	as a man-made man
immersed in sin	Oh yeah, I know yeah
Is all we have to give these	Futures
Futures	Made of
Made of	Virtual (22) now
Virtual insanity, now	Always
Always	Seem to
Seem to	Be governed by this (23) we have for
Be governed by this love we have for	Useless
Useless	Twisting
Twisting	Our new tecnology
Of our new tecnology	Oh now there is no sound
Oh now there is no sound	For we all live underground (oh!)
For we all (11) underground	Now this life that we (24) in
And I'm thinking what a mess we're in	It's all going wrong
Hard to know where to begin	Out of the window
If I could slip	Do you know
The sickly (12) that earthly man has made	There is nothing worse than
And now (13) mother	A man-made man
Can choose the colour	I feel there's nothing (25) than
Of her child	A (26) man
That's not nature's way	(Yeah!)
Well that's (14) they said yesterday	Virtual insanity is (27) we're living in
There's (15) left to do but pray	(Yeah)
I think it's time to find a new religion	It is alright?
(Whoa!)	
It's so insane	
To synthesize (16) strain	

## SUB inglés

## 1. wonder

- 2. that
- 3. should
- 4. will
