

And batons not just once

## Fill in the gaps

He said, "Son		But (5) and	again
Have you seen the world?		A hero of war	
Oh, what would you say		Yeah that's what I'll be	
If I (1) that you could?		And when I come home	
Just carry this gun, you'll even get paid."		They'll be damn proud of me	
I said, "That sounds pretty good."		l'Il carry (6) flag	
Black leather boots		To the grave if I must	
Spit-shined so bright		'Cause it's the flag that I love	
They cut off my hair but it (2)	alright	And a flag that I trust	
We marched and we sang		She walked through bullets and haze	
We all became friends		I asked her to stop	
As we learned how to fight		I begged her to stay	
A hero of war		But she (7)	start
Yeah, that's what I'll be		So I lifted my gun	
And (3) I come home		And I fired away	
They'll be damn proud of me		And the shells jumped through the smoke	
I'll carry this flag		And into the sand	
To the grave if I must		That the (8) now had soaked	
'Cause it's the flag that I love		She collapsed with a flag in her hand	
And the flag that I trust		A flag white of snow	
I kicked in the door		A hero of war	
I yelled my commands		Is that what they see	
The children, they cried		Just medals and scars	
But I got my man		So damn proud of me	
We took him away		And I brought home that flag	
A bag over his face		Now it gathers dust	
From his (4) and his friends		But it's the flag that I love	
They took off his clothes		It's the only flag I trust	
They pissed in his hands		He said, "Son, have you (9) the world?	
I told them to stop		Well what would you say	
But Then I joined in		If I said that you could?"	
We beat him with guns
