

## Fill in the gaps

He said, "Son	But again and again
Have you seen the world?	A hero of war
Oh, (1) would you say	Yeah that's (11) I'll be
If I said that you could?	And (12) I come home
Just (2) this gun, you'll even get paid."	They'll be (13) proud of me
I said, "That sounds pretty good."	I'll carry this flag
Black leather boots	To the grave if I must
Spit-shined so bright	'Cause it's the flag (14) I love
They cut off my hair but it looked alright	And a flag (15) I trust
We marched and we sang	She walked through bullets and haze
We all (3) friends	I asked her to stop
As we learned how to fight	I begged her to stay
A hero of war	But she pressed start
Yeah, that's (4) I'll be	So I lifted my gun
And when I come home	And I fired away
They'll be damn (5) of me	And the shells jumped (16) the smoke
I'll carry this flag	And (17) the sand
To the grave if I must	That the blood now had soaked
'Cause it's the (6) that I love	She (18) (19) a flag in her
And the flag that I trust	hand
I (7) in the door	A flag (20) of snow
I yelled my commands	A hero of war
The children, (8) cried	Is that what (21) see
But I got my man	Just medals and scars
We took him away	So damn proud of me
A bag over his face	And I (22) (23) that flag
From his family and his friends	Now it gathers dust
They took off his clothes	But it's the (24) that I love
They (9) in his hands	It's the (25) (26) I trust
I told them to stop	He said, "Son, (27) you seen the world?
But Then I (10) in	Well what would you say
We beat him with guns	If I (28) (29) you could?"
And batons not just once
