## Hero Of War by Rise Against

And batons not just once

## Fill in the gaps

He said, "Son	But again and again
Have you seen the world?	A hero of war
Oh, (1) would you say	Yeah that's what I'll be
If I said (2) you could?	And when I come home
Just carry this gun, you'll even get paid."	They'll be damn proud of me
I said, "That sounds pretty good."	I'll carry this flag
Black leather boots	To the grave if I must
Spit-shined so bright	'Cause it's the flag that I love
They cut off my hair but it looked alright	And a flag that I trust
We marched and we sang	She walked through (6) and haze
We all became friends	I asked her to stop
As we learned how to fight	I begged her to stay
A hero of war	But she (7) start
Yeah, that's what I'll be	So I lifted my gun
And when I come home	And I fired away
They'll be damn proud of me	And the shells jumped through the smoke
I'll carry this flag	And into the sand
To the grave if I must	That the blood now had soaked
'Cause it's the (3) that I love	She collapsed with a flag in her hand
And the flag that I trust	A flag white of snow
I kicked in the door	A hero of war
I yelled my commands	Is that what they see
The children, they cried	Just medals and scars
But I got my man	So damn proud of me
We took him away	And I brought (8) that flag
A bag (4) his face	Now it gathers dust
From his family and his friends	But it's the flag (9) I love
They took off his clothes	It's the only flag I trust
They pissed in his hands	He said, "Son, have you seen the world?
I (5) them to stop	Well what would you say
But Then I joined in	If I (10) that you could?"
We heat him with guns
