

## Fill in the gaps

	This is the part of me
Days like this I want to (1) away	That you're never gonna ever take away from me, no
Pack my bags and watch your shadow fade	Now look at me, I'm sparkling
You chewed me up and spit me out	A firework, a dancing flame
Like I was poison in your mouth	You won't ever put me out again
You took my light, you drained me down	I'm glowing (oh whoa)
But that was then and this is now	So you can keep the diamond ring
Now look at me	It don't mean nothing anyway
This is the part of me	In fact you can keep everything
That you're never gonna ever take away from me, no	Yeah, yeah
This is the part of me	Except for me
That you're never gonna ever (2) away from me,	This is the part of me
no	That you're never gonna ever take away from me, no
Throw your sticks and your stones	This is the (6) of me
Throw (3) bombs and your blows	That you're never (7) ever take away from me,
But you're not gonna break my soul	no
This is the part of me	Throw your sticks and your stones
That you're never (4) ever take away from me,	Throw your bombs and your blows
no	But you're not gonna break my soul
I just wanna throw my phone away	This is the part of me
Find out who is really there for me	That you're never (8) ever take away from me,
You ripped me off, your love was cheap	no
Was always tearing at the seams	This is the part of me, no
I fell deep and you let me down	Away from me, no
But that was then and this is now	This is the part of me, me, me
Now look at me	No
This is the part of me	Throw your sticks and your stones
That you're never gonna ever take away from me, no	Throw your bombs and your blows
This is the part of me	But you're not (9) break my soul
That you're never gonna ever (5) away from me,	This is the part of me
no	That you're never gonna ever take away from me, no
Throw your sticks and your stones	
Throw your bombs and your blows	
But you're not gonna break my soul
