

When you were young

Fill in the gaps

When You Were Young by The Killers

And (1)	you close your eyes	And sometimes you close your eyes
And see the place where you used to live		And see the place where you used to live
When you were young		When you were young
You sit there in (2)	heartache	They say the devil's water, it ain't so sweet
Naiting on some beautiful boy to		You don't have to drink right now
To save you from your old ways		But you can dip (4) feet
You play forgiveness		Every once in a little while
Natch it now here he comes!		You sit (5) in (6) heartach
He doesn't look a thing like Jesus		Waiting on some (7) boy to
But he talks like a gentleman		To (8) you from your old ways
Like you imagined when you were young		You play forgiveness
Can we climb this mountain		Watch it now here he comes
don't know		He doesn't look a thing like Jesus
Higher now than ever before		But he talks like a gentleman
know we can make it if we (3) it slow		Like you imagined when you (9) young
_et's take it easy		(Talks like a gentlemen, like you imagined when)
Easy now, watch it go		When you were young
We're burning down the highway skyline		I said he doesn't look a thing like Jesus
On the back of a hurricane		He doesn't look a thing (10) Jesus
That started turning		But more than you'll ever know
When you were young		

Fill in the gaps

- 1. sometimes
