

## Fill in the gaps

## Set Fire To The Rain (Live) by Adele

l let it fall, my heart	Watched it (15) as I (16)
And as it fell, you (1) to (2) it	(17) face
It was (3) and I was over	Well, it burned while I cried
Until you kissed my lips and you saved me	'Cause I heard it screaming out your name
My hands they (4) strong	Your name
But my knees (5) far too weak	I set (18) to the rain
To stand in your arms	And I (19) us into the flames
Without (6) to your feet	Well, it felt something died
But there's a side, to you	Cause I knew that that was the (20) time
That I never knew, (7) knew	The last time
All the things you'd say	Sometimes I wake up by the door
They (8) never true, (9) true	That (21) you caught must be waiting for ya
And the games you'd play	Even now when we're already over
You would always win, (10) win	I can't help myself (22) (23) for
But I set (11) to the rain	ya
Watched it pour as I touched your face	I set fire to the rain
Well, it burned (12) I cried	Watched it pour as I touched (24) face
Cause I (13) it screaming out your name	Well, it burned (25) I cried
Your name	'Cause I heard it (26) out your name
When I lay, with you	Your name
I could stay there, close my eyes	I set fire to the rain
Feel you here forever	And I (27) us into the flames
You and me together, nothing is better!	Well, it felt something died
Cause there's a side, to you	'Cause I knew that that was the (28) time
That I never knew, never knew	The last time
All the things you'd say	Oh oh oh oh
They were never true, never true	Let it burn
And the (14) you'd play	Oh oh oh oh
You would always win, always win	Let it burn
But I set fire to the rain	Let it burn
