Forgotten Children by Tokio Hotel

Fill in the gaps

Just a normal day	Hope forever died
Streets (1) into graves	Lost and so alone
Traces have been removed	Born but never known
The (2) was disapproved	Left all on their own
So cold the night	Forgotten children
The weak ones (3) the fight	We'll never hear a name
Too many of them out there	They carry all the blame
Noone seems to care	Too young to break the chains
Lost and so alone	Forgotten children
Born but never known	They see, they feel, believe
Left all on (4) own	Just like we do
Forgotten children	The're laughing and crying
We'll never hear a name	Wanna live here
They carry all the blame	Like me and you
Too young to break the (5)	It shouldn't really be that way
Forgotten children	It shouldn't really be that way
They see, they feel, believe	We see, we feel, believe
Just like we do	Just like you
They're laughing, and crying	We're laughing and crying
Wanna live here	Wanna live here
Like me and you	We see, we feel, believe
Eyes (6) light	Just (10) you
Too (7) of good-byes	We're laughing and crying
Never felt embraced	Wanna live here
And (8) of (9) face	Just like you
