

Fill in the gaps

Just a normal day	Hope forever died
Streets (1) into graves	Lost and so alone
Traces have been removed	Born but never known
The search was disapproved	Left all on their own
So cold the night	Forgotten children
The weak (2) (3) the fight	We'll never (9) a name
Too many of them out there	They carry all the blame
Noone seems to care	Too (10) to break the chains
Lost and so (4)	Forgotten children
Born but (5) known	They see, (11) feel, believe
Left all on (6) own	Just like we do
Forgotten children	The're (12) and crying
We'll never hear a name	Wanna (13) here
They carry all the blame	Like me and you
Too young to break the chains	It shouldn't (14) be (15) way
Forgotten children	It shouldn't (16) be that way
They see, (7) feel, believe	We see, we feel, believe
Just like we do	Just like you
They're laughing, and crying	We're (17) and crying
Wanna live here	Wanna live here
Like me and you	We see, we feel, believe
Eyes without light	Just like you
Too tired of good-byes	We're laughing and crying
Never (8) embraced	Wanna (18) here
And frightened of every face	Just like you
A life in disquise
