

I've made up my mind

Fill in the gaps

Or would it be a waste

Don't need to think it over	Even if I (8) my place
If I'm wrong I am right	Should I leave it there?
Don't need to look no further	Should I give up
This ain't lust	Or should I just keep chasing pavements
I know this is love	Even if it leads nowhere?
But if I tell the world	Yeah
I'll never say enough	Should I give up
Cause it was not said to you	Or should I just keep chasing pavements
And that's exactly what I need to do	Even if it leads nowhere?
If I end up with you	Or would it be a waste
Should I give up	Even if I knew my place?
Or should I just keep chasing pavements	Should I leave it there?
Even if it leads nowhere?	Should I give up?
Or would it be a waste	Or should I just keep on chasing pavements?
Even if I (1) my place	Should I just keep on chasing pavements?
Should I (2) it there?	Oh!
Should I give up	Should I give up
Or should I (3) keep (4)	Or should I just (9) chasing pavements
pavements	Even if it (10) nowhere?
Even if it leads nowhere?	Or would it be a waste
I build myself up	Even if I knew my place
And fly around in circles	Should I leave it there?
Waiting as my (5) drops	Should I give up
And my back (6) to tingle finally	Or should I just keep chasing pavements
Could this be it?	Even if it leads nowhere?
Or should I give up	
Or should I (7) keep chasing pavements	
Even if it leads nowhere?
