

Fill in the gaps

You've been on my mind	And simply be mine
I grow fonder every day	I dare you to let me be your
Lose myself in time	Your one and only
Just thinking of your face	I promise I'm worthy
God only knows	To hold in your arms
Why it's taken me so long	So come on and give me the chance
To let my doubts go	To prove I am the one who can
You're the only one that I want	Walk that mile
I don't (1) why I'm scared	Until the end starts
I've been here before	I know it ain't easy
Every feeling, every word	Giving up your heart
I've imagined it all	I know it ain't easy
You'll never (2) if you (3) try	Giving up your heart
To forgive your past	Nobody's perfect, I know it ain't easy
And simply be mine	Trust me I've learned it, giving up your heart
I dare you to let me be your	Nobody's perfect, I (7) it ain't easy
Your one and only	Trust me I've (8) it, giving up (9)
Promise I'm worthy	heart
To hold in your arms	Nobody's perfect, I know it ain't easy
So come on and give me the chance	Trust me I've (10) it, giving up your heart
To prove I am the one who can	Nobody's perfect, I know it ain't easy
Walk that mile	Trust me I've learned it, giving up your heart
Until the end starts	So I dare you to let me be your
I've been on your mind?	Your one and only
You hang on every word I say	I promise I'm worthy
Lose yourself in time	To hold in your arms
At the mention of my name	So come on and give me the chance
Will I (4) know	To prove I am the one who can
How it feels to hold you close?	Walk that mile
And (5) you tell me	Until the end starts
Whichever road I (6) you'll go	Come on and give me the chance
I don't know why I'm scared	To prove that I'm the one who can
'Cause I've been here before	Walk that mile
Every feeling, every word	Until the end starts
I've imagined it all	
You'll never know if you never try	
To forgive your past
