

Fill in the gaps

First when there's nothing	What a feeling
But a slow glowing dream	Bein's believing
That your fear seems to hide	I can have it all now I'm (6) for my life
Deep inside (1) mind	Take your passion
All alone I have cried	And make it happen
Silent tears full of pride	Pictures come alive now I'm (7) through my
In a world made of steel	life
Made of stone	What a feeling
Well, I hear the music	What a feeling
Close my eyes, feel the rhythm	Bein's believing
Wrap around, take a hold of my heart	I can have it all now I'm (8) through you
What a feeling	life
Bein's believing	What a feeling yeah
I can (2) it all now I'm dancing for my life	What a feeling
Take your passion	Pictures come alive
And make it happen	Pictures come alive
Pictures come (3) now I'm dancing	What a (9) yeah
(4) my life	What a feeling
Now I (5) the music	I can have it all
Close my eyes, feel the rhythm	And make, it make it happen
In a flash it takes hold of my heart
