

I don't understand... why

See it's burning me to (1) onto this
I know this is something I gotta do
But that don't mean I want to
What I'm trying to say is that I love you, I just
I feel like this is coming to an end
And it's better for me to let it go now
Than hold on and hurt you
I gotta let it burn
It's gonna burn for me to say this
But it's coming from my heart
It's been a long time coming
But we done been fell apart
Really wanna work this out
But I don't think you're gonna change
I do but you don't
Think it's best we go our separate ways
Tell me why I should stay in this relationship
When I'm hurting baby, I ain't happy baby
Plus there's so many other things I gotta deal with
I think that you should let it burn
When your feeling ain't the same
And your (2) don't want to
But you know, gotta let it go
Cuz the party ain't jumping like it used to
Even though this might bruise you, let it burn
Let it burn, gotta let it burn
Deep down, you know it's best for yourself, but you
Hate the thought of her being with someone else
But you know that it's over
We (3) it was through, let it burn
Let it burn, let it burn
(Gotta let it burn) Sending pages I ain't supposed to
Got somebody here but I want you
Cuz the feeling ain't the same
Found myself calling her your name
Ladies, tell me do you understand?
Now all my fellas do you feel my pain?
It's the way I feel
I know I made a mistake, now it's too late
I know she ain't (4) back
