

Reach down your hand in your pocket

Pull out some hope for me

Fill in the gaps

It's sitting by the overcoat	It's been a long day
The second shelf, the note she wrote	Always ain't (9) right
That I can't (1) (2) to throw	And no Lord your hand won't (10) it
away	Just keep you trembling
And also	It's been a (11) day
Reach she said for no one else but you	Always ain't (12) right
Cuz you won't turn away	(Oh) Ain't that right?
When someone else is gone	It's me
I'm (3) 'bout the attitude	(Yeah) Well I can't get myself to go away
I need to give when I'm (4) you	(Hey) Well it's me
But no one else (5) take (6) shit from	Yeah well I can't get (13) to go away
me	Oh God I shouldn't feel this way now
And I'm so terrified of no one else but me	Reach down your (14) in your pocket
I'm here all the time	Pull out (15) hope for me
I won't go away (yeah)	It's been a long day
It's me	Always ain't that right
(Yeah) Well I can't get myself to go away	And no Lord your hand won't (16) it
(Hey) It's me	Just (17) you trembling
And I can't get myself to go away	It's been a long day
Oh God, I shouldn't feel this way now	Always ain't that right
Reach down your hand in your pocket	Yeah
Pull out some hope for me	Reach down your hand in your pocket now
It's been a long day	Reach (18) your (19) right now
Always ain't that right	It's (20) a long day, always
And no Lord your hand won't stop it	Ain't that right?
Just keep you trembling	Reach (21) your hand in (22) pocke
It's been a long day	now
Always ain't that right	Reach down your hand right now
Well I'm surprised that you'd believe	It's been a long day, always
In (7) that comes from me	Ain't (23) right?
I didn't hear from you or (8) someone else	(Oh) Ain't that right?
And you're so set in life man	Ain't that (24) (25) right on child?
A pisser they're waiting	Right right on (26) right right on child
Too damn bad you get so far so fast	
So what, so long
