You're Gonna Go Far, Kid by The Offspring

Show me how to lie	Show the light of day
You're getting better all the time	Nice work you did
And turning all against the one	You're gonna go far, kid
Is an art that's hard to teach	Trust, deceived
Another clever word	With a thousand lies
Sets off an unsuspecting herd	And a good disguise
And as you get back into line	Hit 'em right between the eyes
A mob jumps to their feet	Hit 'em right between the eyes
Now dance, fucker, dance	When you walk away
Man, he never had a chance	Nothing more to say
And no one even knew	See the lightning in your eyes
It was (1) only you	See 'em running for their lives
And now you steal away	Now dance, fucker, dance
Take him out today	He (7) had a chance
Nice work you did	And no one even knew
You're (2) go far, kid	It was (8) only you
With a thousand lies	So dance, fucker, dance
And a good disguise	I never had a chance
Hit 'em right between the eyes	It was really (9) you
Hit (3) right between the eyes	With a thousand lies
When you walk away	And a good disguise
Nothing more to say	Hit 'em right between the eyes
See the lightning in your eyes	Hit 'em right between the eyes
See 'em (4) for their lives	When you walk away
Slowly out of line	Nothing more to say
And drifting closer in your sights	See the lightning in your eyes
So play it out I'm wide awake	See 'em running for their lives
It's a scene about me	Clever alibis, lord of the flies
There's something in your way	Hit 'em right (10) the eyes
And now someone is gonna pay	Hit 'em right between the eyes
And if you can't get (5) you want	When you walk away
Well it's all because of me	Nothing more to say
Now dance, fucker, dance	See the lightning in your eyes
Man, I never had a chance	See 'em running for their lives
And no one (6) knew	
It was really only you
