## You're Gonna Go Far, Kid by The Offspring

Show me how to lie		Show the light of day		
You're (1)	better all the time	Nice work you did		
And turning all against the one		You're gonna go far, kid		
Is an art that's hard to teach		Trust, deceived		
Another clever word		With a thousand lies		
Sets off an unsuspecting herd		And a good disguise		
And as you get back into line		Hit 'em right between the eyes		
A mob jumps to their feet		Hit 'em right between the eyes		
Now dance, fucker, dance		When you walk away		
Man, he never had a chance		Nothing more to say		
And no one even knew		See the lightning in your eyes		
It was really only you		See (8) running for their lives		
And now you steal away		Now dance, fucker, dance		
Take him out today		He (9)	had a chance	:
Nice work you did		And no one even knew		
You're gonna go far, kid		It was really only you		
With a thousand lies		So dance, fucker, dance		
And a good disguise		I never had a chance		
Hit 'em right between the eyes		It was really only you		
Hit 'em right between the eyes		With a thousand lies		
When you walk away		And a good disguise		
Nothing more to say		Hit 'em right between the eyes		
See the lightning in your eyes		Hit 'em right between the eyes		
See (2) running for their lives		When you walk away		
Slowly out of line		Nothing more to say		
And (3)	closer in your sights	See the lightnin	See the lightning in your eyes	
So play it out I'm (4) awake		See 'em running for their lives		
It's a scene about me		Clever alibis, lord of the flies		
There's something in your way		Hit 'em right between the eyes		
And now someone is (5) pay		Hit 'em right between the eyes		
And if you can't get what you want		When you walk away		
Well it's all because of me		Nothing more to say		
Now dance, fucker, dance		See the (10)		_ in your eyes
Man, I (6) h	ad a chance	See 'em runnin	g for their lives
