

Fill in the gaps

Starry night bring me down
'Til I (1) the moon
It seems so distant yet
I felt it (2) right through
And I see what I see
A new world is over me
So I'll reach up to the sky
And (3) that I'm a spaceman
In another place and time
I guess I'm lookin' for a brand new place
Is there a better life for me?
Subtle wind blow me gone
Let me (4) upon your move
I trust I'll end up sleeping, cradled in my doom
And I (5) what I feel
I can't (6) what is not real
So I'll get myself (7) high
And imagine I'm a spaceman

In another place and time
I guess I'm lookin' for a (8) new place
Is there a better life for me?
I remember in my mind
They say I'm daydreamin'
Is it all that it seems
Or am I all the things I'm looking for? yeah!
And I see what I see
A new world is over me
And I'll reach up to the sky
And (9) I'm a
Spaceman, in another place and time
I guess I'm lookin' for a brand new place
I remember living in a different life
Is there a better life for me?
