

## Fill in the gaps

### Kiss The Stars by Pixie Lott

...

Baby baby, we're on the rocket

Venus and mars now, can't be apart now

Baby baby, put me in your pocket

We're on a mission, get in position

Put the plug in the socket

Give me all your power

When you turn it on I can go for hours

Hit the switch, push the button, baby

Then you'll see

We can (1)\_\_\_\_\_ it all, baby, you and me

Kiss the (2)\_\_\_\_\_ tonight

You and me, oh, we will

Write our name in lights

They will see we're in love tonight

Love tonight, we're in love tonight

Love tonight, love tonight

We're in (3)\_\_\_\_\_ tonight

...

Baby baby, we're on the rocket

Wherever we land you'll be my spaceman

Baby baby, we're supersonic

Now we (4)\_\_\_\_\_ will (5)\_\_\_\_\_ forever

Put the plug in the socket

Give me all your power

When you turn it on I can go for hours

Hit the switch, push the button, baby

Then you'll see

We can have it all, baby, you and me

Kiss the stars tonight

You and me, oh, we will

Write our name in lights

They will see we're in love tonight

Love tonight, we're in love tonight

Love tonight, love tonight

We're in love tonight

Put the plug in the socket

Give me all your power

When you turn it on I can go for hours

Hit the switch, push the button, baby

Then you'll see

We can (6)\_\_\_\_\_ it all, baby, you and me

We can have it all, baby, you and me

We can have it all, baby, you and me...

Kiss the (7)\_\_\_\_\_ tonight

You and me, oh, we will

Write our name in lights

They will see we're in love tonight

Love tonight, we're in (8)\_\_\_\_\_ tonight

Love tonight, love tonight

We're in (9)\_\_\_\_\_ tonight

...
