

## Fill in the gaps

Let's start in style, let's dance for a while		Some are a melody and some are the beat	
Heaven can wait we're only (1)	_ the skies	Sooner or later they all will be gone	
Hoping for the best, but (2)	the worst	Why don't (7) stay young?	
Are you gonna drop the bomb or not?		It's so hard to get old (8)	a cause
Let us stay young or let us (3) forever		I don't want to perish like a fading horse	
We don't have the power, but we never say never		Years like diamonds in the sun	
Sitting in the sandpit, life is a short trip		And (9) are forever	
The music's for the sadman		So many advantages given up today	
Can you imagine when this race is won		So many songs we forgot to play	
Turn out all the faces into the sun		So many dreams swinging out of the blue	
Praising our leaders, we're getting in tune		Oh let it come true	
The music's played by the madman		Forever Young	
Forever Young		I want to be Forever Young	
I want to be Forever Young		Do you really want to live forever?	
Do you really want to live forever?		Forever, you'll never	
Forever, you'll never		Forever Young,	
Forever Young,		I want to be Forever Young	
I (4) to be Forever Young		Do you really (10) to live forever	?
Do you really want to live forever?		Forever Young.	
Forever Young			
Some are (5) water, (6)	are like the		
heat
