

Fill in the gaps

Half past twelve	I open the window and I gaze into the night
And I'm (1) the late show in my flat all	But there's nothing there to see, no one in sight
alone	There's not a (6) out there
How I hate to spend the evening on my own	No one to hear my prayer
Autumn winds blowing outside my window	Gimme gimme (7) a man after midnight
As I look around the room	Won't somebody help me chase the shadows away
And it makes me so depressed to see the gloom	Gimme gimme a man (8) midnight
There's not a soul out there	Take me through the darkness
No one to (2) my prayer	To the break of the day
Gimme gimme a man after midnight	Gimme gimme a man after midnight
Won't (3) help me chase the shadows	Won't somebody help me chase the (9)
away	away
Gimme gimme a man after midnight	Gimme gimme a man after midnight
Take me through the darkness	Take me through the darkness
To the (4) of the day	To the break of the day
Movie stars	
Find the end of the rainbow, with a fortune to win	
It's so different (5) the world I'm living in
