Fill in the gaps

f you change (1) mind	Take a chance on me
'm the first in line	Oh you can take your time baby
Honey I'm still free	I'm in no hurry
Take a chance on me	Know I'm gonna get you
f you need me, let me know	You (6) wanna hurt me
Gonna be around	Baby don't worry
f you've got no place to go	I ain't gonna let you
f you're feeling down	Let me tell you now
f (2) all alone	My love is strong enough
When the pretty birds have flown	To last when things are rough
Honey I'm still free	It's magic
Take a chance on me	You say that I waste my time
Gonna do my (3) best and it ain't no lie	But I can't get you off my mind
f you put me to the test	No I can't let go
f you let me try	'cos I love you so
Take a chance on me	If you change your mind
(That's all I ask of you honey)	I'm the first in line
Take a chance on me	Honey I'm still free
We can go dancing	Take a chance on me
We can go walking	If you need me, let me know
As long as we're together	Gonna be around
Listen to some music	If you've got no place to go
Maybe just talking	If you're feeling down
Get to know you better	If you're all alone
Cos you know (4) got	When the pretty birds have flown
So much that I wanna do	Honey I'm still free
When I dream I'm alone with you	Take a chance on me
t's magic	Gonna do my (7) best
You want me to leave it there	Baby can't you see
Afraid of a love affair	Gotta put me to the test
But I think you know	Take a chance on me
That I can't let go	(Take a chance, take a chance, (8) a chance on
f you change your mind	me)
'm the first in line	(Ba ba ba ba, ba ba ba ba ba)
Honey I'm still free	Honey I'm still free
Take a chance on me	Take a chance on me
f you need me, let me know	Gonna do my very best
Gonna be around	Baby can't you see
f you've got no place to go	Gotta put me to the test
f you're feeling down	Take a (9) on me
f you're all alone	(Take a chance, take a chance, take a chance on me)
