There's a fire starting in my heart	And you played to the beat	
Reaching a fever pitch it's bringing me out the dark	(Tears are gonna fall, (8) in the deep)	
Finally I can see you crystal clear	We could have had it all	
Go ahead and sell me out and I'll lay your ship bare	Rolling in the deep	
See how I'll leave with every piece of you	You had my heart inside of your hand	
Don't underestimate the things that I (1) do	but you played it with a beating
