### Rolling In The Deep by Adele

There's a fire starting in my heart  
Reaching a fever pitch it's bringing me out the dark  
Finally I can see you crystal clear  
Go ahead and sell me out and I'll lay your ship bare  
See how I'll leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch and it's bringing me out the dark  
The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love they leave me breathless  
I can't help feeling  
We could've had it all  
(You're gonna wish you, never had met me)  
Rolling in the Deep  
(Tears are gonna fall, rolling in the deep)  
You had my heart inside of your hand  
(You're gonna wish you, never had met me)  
And you played it, To the beat  
(Tears are gonna fall, rolling in the deep)  
Baby I have no story to be told  
But I've heard one of you and I'm gonna make your head burn  
Think of me in the depths of your despair  
Making a home down there  
as mine (1)\_\_\_\_\_ won't be shared  
The scars of (2)\_\_\_\_\_ love remind me of us  
They keep me thinking that we almost had it all  
The (3)\_\_\_\_\_ of your love they leave me breathless  
I can't help feeling  
We could have had it all  
(You're gonna wish you, never had met me)  
Rolling in the Deep  
(Tears are gonna fall, rolling in the deep)  
You had my (4)\_\_\_\_\_ Inside of your hand  
(You're gonna wish you, never had met me)

And you played to the beat  
(Tears are gonna fall, rolling in the deep)  
We could have had it all  
Rolling in the deep  
You had my heart inside of your hand  
but you played it with a beating  
Throw (5)\_\_\_\_\_ soul through every open door  
Count your blessings to find what you look for  
Turned my sorrow into treasured gold  
You pay me back in kind and reap just what you sow  
(You're gonna wish you, never had met me)  
We could have had it all  
(Tears are gonna fall, rolling in the deep)  
We could have had it all, yeah  
(You're gonna (6)\_\_\_\_\_ you, never had met me)  
It all... It all... It all  
(Tears are gonna fall, rolling in the deep)  
We could have had it all  
(You're gonna wish you, never had met me)  
Rolling in the deep  
(Tears are gonna fall, (7)\_\_\_\_\_ in the deep)  
You had my (8)\_\_\_\_\_ inside... of your hand  
(You're gonna wish you, never had met me)  
And you played it... to the beat  
(Tears are gonna fall, rolling in the deep)  
  
We could have had it all  
(You're gonna wish you never had met me)  
Rolling in the deep  
(tears are gonna fall rolling in the deep)  
You had my heart... inside of your hand  
(You're gonna wish you, never had met me)  
but you played it, you played it  
you played it, you played it to the beat
