There's a fire starting in my heart	And you played to the beat
Reaching a fever pitch it's bringing me out the dark	(Tears are gonna fall, rolling in the deep)
Finally I can see you crystal clear	We could have had it all
Go ahead and sell me out and I'll lay your ship bare	Rolling in the deep
See how I'll leave with every piece of you	You had my heart inside of your hand
Don't underestimate the things that I will do	but you played it with a beating
There's a fire starting in my heart	Throw (5) soul through every open door
Reaching a fever pitch and it's bringing me out the dark	Count your blessings to find what you look for
The scars of your love remind me of us	Turned my sorrow into treasured gold
They keep me thinking that we almost had it all	You pay me back in kind and reap just what you sow
The scars of your love they leave me breathless	(You're gonna wish you, never had met me)
I can't help feeling	We could have had it all
We could've had it all	(Tears are gonna fall, rolling in the deep)
(You're gonna wish you, never had met me)	We could have had it all, yeah
Rolling in the Deep	(You're gonna (6) you, never had met me)
(Tears are gonna fall, rolling in the deep)	It all It all It all
You had my heart inside of your hand	(Tears are gonna fall, rolling in the deep)
(You're gonna wish you, never had met me)	We could have had it all
And you played it, To the beat	(You're gonna wish you, never had met me)
(Tears are gonna fall, rolling in the deep)	Rolling in the deep
Baby I have no story to be told	(Tears are gonna fall, (7) in the deep)
But I've heard one of you and I'm gonna make your head burn	You had my (8) inside of your hand
Think of me in the depths of your despair	(You're gonna wish you, never had met me)
Making a home down there	And you played it to the beat
as mine (1) won't be shared	(Tears are gonna fall, rolling in the deep)
The scars of (2) love remind me of us	
They keep me thinking that we almost had it all	We could have had it all
The (3) of your love they leave me breathless	(You're gonna wish you never had met me)
I can't help feeling	Rolling in the deep
We could have had it all	(tears are gonna fall rolling in the deep)

Rolling in the Deep	(You're gonna wish you, never had met me)
(Tears are gonna fall, rolling in the deep)	but you played it, you played it
You had my (4) Inside of your hani	you played it, you played it to the beat
