

I can tell what's going on this time

Fill in the gaps

Nobody believes me	There's a stranger in my life
When I tell them that you're out of your mind	You're not the person (6) I once knew
Nobody believes me	Are you scared to let them know it's you?
When I (1) them that you're so (2) your	If they could only see you like I do
hide	Then they would see a stranger too
You treat me like a queen when we go out	Such a long way back
Wanna show everyone what our love's about	From this place we arrived
All wrapped up in me (3) there is a crowd	When I (7) of all the time I've wasted
But when no ones around	I could cry
There's no kindness in your eyes	There's no kindness in your eyes
The way you look at me, it's just not right	The way you look at me, it's just not right
I can tell what's going on this time	I can tell what's going on this time
There's a stranger in my life	There's a stranger in my life
You're not the person that I once knew	You're not the person that I once knew
Are you scared to let them know it's you?	Are you scared to let them know it's you?
If they could only see you like I do	If they could only see you like I do
Then they would see a stranger too	Then they would see a stranger too
Did I ever do anything that was (4) cruel to you?	There's no kindness in your eyes
Did I ever make you wonder	They way you look at me, it's just not right
Who was standing in the room?	And I can (8) what's going on this time
You made yourself look perfect in everyway	There's a stranger in my life
So when this goes down	You're the person that I once knew
I'm the one that will be blamed	Are you scared to let them (9) it's you?
Your plan is working so you can (5) walk away	If they could only see you like I do
Baby your secret's safe	Then they (10) see a stranger too
There's no kindness in your eyes	
The way you look at me, it's just not right
