I Want To Know What Love Is by Foreigner

I gotta take a little time
A little time to think things over
I better read between the lines
In case I need it when I'm older
Now this mountain I must climb
Feels like the world upon my sholders
Through the clouds I see love shine
It keeps me warm as life grows colder
In my life
There's been heartache and pain
I don't know
If I can face it again
Can't stop now
I've travelled so far
To change this lonely life
I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me
I'm gonna take a little time
A little time to look around me
I've got nowhere left to hide
It looks like love has finally found me
