

Love, or something ignites in my veins

## Fill in the gaps

Crashed on the (1) when I moved in	And I pray it never fades, in
This little bungalow with some strange new friends	White Houses
Stay up too late, and I'm too thin	Му
We promise (2) other it's 'till the end	First
Now we're spinning (3) bottles	Time
It's the five of us	Hard to explain
With pretty eyed boys girls die to trust	Rush of (12) (oh)
I can't (4) the day	And a (13) bit of pain
No, I can't (5) the day	On a cloudy day
Jenny screams out and it's no pose	It's more common than you think
'Cause when she dances, she goes and goes	He's
Beer through the nose on an (6) joke	Му
And I'm so excited, I haven't spoken	First
And she's so pretty, and she's so sure	Mistake
Maybe I'm more (7) than a girl (8)	Maybe you were all faster than me
her	We gave each other up so easily
Summer's all in bloom	These silly little (14) will never mend
Summer's ending soon	I feel so far from (15) I've been
It's alright	So I go
And it's nice not to be so alone	And I will not be (16) here again
But I hold on to secrets, in	I'm gone as the day is fading, on
White Houses	White Houses
Maybe I'm a little bit over my head	I lie, put my injuries all in the dust
I (9) undone at the things he said	In my heart it's the five of us, in
And he's so funny in his bright red shirt	White Houses
We were all in love, and we all got hurt	And you
I sneak into his car's cracked leather seat	Maybe you'll remember me
The smell of gasoline in the (10) heat	What I gave is yours to keep, in
Boy, we're going way too fast	White Houses, in
It's all too sweet to last	White Houses, in
It's alright	White Houses
And I put (11) in his hands	
But I hold on to secrets, in	
White Houses
