

Fill in the gaps

At (1) life is wicked and I just can't see the light	Believe you can fly
A silver (2) sometimes isn't enough	Away, away
To (3) (4) (5)	Am I hiding in the shadows?
(6) right	Forget the (18) and (19) the
Whatever life brings	sorrows
I've been (7) everything	Am I hiding in the shadows?
And know I'm on my (8) again	Forget the (20) and forget the sorrows
But I know I (9) go on	But I (21) I must go on
Although I (10) I must be strong	Although I hurt I (22) be strong
Because inside I know that (11) feel this way	Because inside I know (23) many feel
Children don't stop dancing	(24) way
Believe you can fly	Children don't stop dancing
Away, away	Believe you can fly
At times life's unfair and you know it's (12) to	Away, away
see	Children don't stop dancing
Hey God I know I'm just a dot in this world	Believe you can fly
Have you forgot (13) me?	Away, away
Whatever (14) brings	Children don't stop dancing
I've been through everything	Believe you can fly
And (15) I'm on my knees	Away, away
But I know I must go on	Am I (25) in the shadows?
Although I (16) I must be strong	Are we hiding in the shadows?
Because inside I know (17) many feel this way	
Children don't stop dancing
