

Fill in the gaps

Sitting in the dark, I can't forget	So when I got away, I only kept my scars
Even now, I realize the time I'll never get	The other me is gone
Another story of the Bitter Pills of Fate	Now I don't know where I belong
I can't go back again	We were never alive, and we won't be (9) again
I can't go back again	I'll never survive with dead memories in my heart
But you asked me to (1) you and I did	Dead memories in my heart
Traded my emotions for a (2) to commit	Dead memories in my heart
And when I got away, I only got so far	Dead memories in my heart
The (3) me is dead	Dead Visions in your name
I hear his voice inside my head	Dead (10) in my veins
We were (4) alive	Dead Memories in my heart
And we won't be born again	Dead memories in my heart
I'll (5) survive (6) dead memories in	Dead memories in my heart
my heart	Dead memories in my heart
Dead memories in my heart	
Dead memories in my arms	
You told me to (7) you and I did	
Tied my soul into a (8) and got me to submit
