Do you know what's worth fighting for?		You and I	
When it's not worth dying for?		(Did you)	
Does it take your breath away?		Did you try to live on (7) owr	1?
And you feel (1)	suffocating?	(When you)	
Does the pain weigh out the pride?		When you burned down the house and home?	
And you look for a place to hide?		(Did you)	
Did (2) break your heart inside?		Did you stand too close to the fire?	
You're in ruins		Like a liar looking for forgiveness	
One, twenty-one guns		From a stone	
Lay down your arms		When it's (8) to (9)	_ and let die
Give up the fight		And you can't get (10)	_ try
One, twenty-one guns		Something inside this heart has died	
Throw up your arms (3) the sky		You're in ruins	
You and I		One, twenty-one guns	
When you're at the end of the road		Lay down your arms	
And you (4) all sense of control		Give up the fight	
And (5) thoughts have taken their toll		One, twenty-one guns	
When your (6) breaks the spirit of your soul		Throw up your arms into the sky	
Your faith walks on broken glass		One, twenty-one guns	
And the hangover doesn't pass		Lay down your arms	
Nothing's ever built to last		Give up the fight	
You're in ruins		One, twenty-one guns	
One, twenty-one guns		Throw up your arms into the sky	
Lay down your arms		You and I	
Give up the fight			
One, twenty-one guns			
Throw up your arms into the	sky
