Most of everyday

Fill in the gaps

Other Side Of The World by KT Tunstall

Over the sea and far away	Is (13) of tired excuses
She's waiting like an iceberg	But it's to hard to say
Waiting to change	I (14) it (15) simple
But she's (1) inside	But we give up easily
She (2) to be like the water	You're close (16) to see that
All the muscles tighten in her face	You're the (17) side of the world to me
Buries her soul in one embrace	Can you help me?
They're one and the same (3) like water	Can you let me go?
The fire fades away	And can you still love me?
Most of everyday	When you can't see me anymore
Is full of tired excuses	And the fire fades away
But it's to (4) to say	Most of everyday
I wish it were simple	Is full of tired excuses
But we give up easily	But it's to hard to say
You're close (5) to see that	I wish it (18) simple
You're the (6) side of the (7) to me	But we (19) up easily
On comes the (8) light	You're close enough to see that
Holding on with (9) and feelings alike	You're the other (20) of the world
But the (10) has come	The (21) side of the world
To (11) along	You're the other side of the world to me
And the (12) fades away
