

Entwined in finding you one day

Fill in the gaps

Ever (1) away with me	Ever (4) away (5) me
Just once that all I need	My love, it lies so deep
Entwined in finding you one day	Ever dream of me
Ever felt away without me	Your beauty cascaded on me
My love, it lies so deep	In this white night fantasy
Ever dream of me	(Dream of me)
Would you do it with me?	Ever felt away with me
Heal the scars and change the stars	Just once that all I need
Would you do it with me	Entwined in finding you one day
Turn loose the heaven within	Ever felt away (6) me
I'd (2) you away	My love, it lies so deep
Castaway on a lonely day	Ever (7) of me
Bosom for a (3) cheek	Ever felt away with me
My song can but borrow your grace	Just once that all I need
Ever felt away with me	Entwined in finding you one day
Just once that all I need	Ever felt away without me
Entwined in finding you one day	My love, it (8) so deep
Ever felt away without me	Ever dream of me
My love, it lies so deep	(Dream of me)
Ever dream of me	Ever felt away with me
(Dream of me)	Just once that all I need
Come out, come out, wherever you are	Entwined in finding you one day
So lost in your sea	Ever felt away without me
Give in, give in for my touch	My love, it lies so deep
For my taste, for my lust	Ever dream of me
Ever felt away with me	
Just once that all I need
