## T Look To You by Whitney Houston

## Fill in the gaps

As I lay me down	In you I can be strong
Heaven hear me now	I look to you
I'm lost without a cause	I (5) to you
After giving it my all	And when (6) are gone
Winter storms have come	In you I (7) a song
And (1) my sun	I look to you
After all that I've been through	(My levees are broken)
Who on Earth can I turn to?	(My walls have come)
I look to you	Tumbling down on me (tumbling down on me)
I look to you	All the rain is (8) (the (9) is
After all my strength is gone	falling)
In you I can be strong	(Defeat is calling)
I look to you	Set me free (I need you to set me free)
I look to you	Take me far away from the battle
And (2) (3) are gone	I need you
( )	•
In you I hear a song	Shine on me
	Shine on me I look to you
In you I hear a song	
In you I hear a song I look to you	I look to you
In you I hear a song I look to you About to lose my breath	I look to you I look to you
In you I hear a song I look to you About to lose my breath There's no more fighting left	I look to you I look to you After all my strength is gone
In you I hear a song I look to you About to lose my breath There's no more fighting left Sinking to rise no more	I look to you I look to you After all my strength is gone In you I can be strong
In you I hear a song I look to you About to lose my breath There's no more fighting left Sinking to rise no more Searching for (4) open door	I look to you I look to you After all my strength is gone In you I can be strong I look to you
In you I hear a song I look to you About to lose my breath There's no more fighting left Sinking to rise no more Searching for (4) open door And every road that I've taken	I look to you I look to you After all my strength is gone In you I can be strong I look to you I look to you
In you I hear a song I look to you About to lose my breath There's no more fighting left Sinking to rise no more Searching for (4) open door And every road that I've taken Lead to my regret	I look to you I look to you After all my strength is gone In you I can be strong I look to you I look to you And when melodies are gone
In you I hear a song I look to you About to lose my breath There's no more fighting left Sinking to rise no more Searching for (4) open door And every road that I've taken Lead to my regret And I don't know if I'm gonna make it	I look to you I look to you After all my strength is gone In you I can be strong I look to you I look to you And when melodies are gone In you I hear a song
In you I hear a song I look to you About to lose my breath There's no more fighting left Sinking to rise no more Searching for (4) open door And every road that I've taken Lead to my regret And I don't know if I'm gonna make it Nothing to do but lift my head	I look to you I look to you After all my strength is gone In you I can be strong I look to you I look to you And when melodies are gone In you I hear a song I look to you
