Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it’s conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the (1)_____ that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would stil love for you, 'cause I did adore you

While my (2)_____ would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time

I would have had a good time

If you'd told me from the start that you're playing

Around it would (3)_____ been fine

It would have been you baby

Then I would have played too and I guess

I would have had a good time

Baby you’re so fine

(You are the one that I love)

(Your love was sent from above)

Baby you're so fine

(You are the one that I love)

You are so fine, fine

(Your love was sent from up above)

Oh you’re mall of mine

(You’re fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

Fill in the gaps

(So doggone fine)

Fine

(You are the one that I love)

Fine

(Your love was sent from up above)

(You’re fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So doggone fine)

If you'd told me from the start that you're playing

Around it would have been fine

If you told me

Then I would have played too and I guess

I would have had a good time

Feel good time, feel good time

Feel good time, feel good time

If you'd told me from the start that you're playing

Around it would have been fine

Had a real good time, boy now

Then I would have played too and I guess

I would have had a good time

I (4)_____ I would (5)_____ had a good time

If you'd (6)_____ me from the start that you're playing

Around it would have been fine

It would (7)_____ been fine, boy

Then I would have played too and I guess

I would have had a good time

If you'd told me from the (8)_____ that you're playing

Around it would have been fine

Then I would have played too and I guess

I would have had a good time

Fill in the gaps
