

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it (1)_____ on

Guess I wasn't too bright

And I really wasn't learning

Should have (2)_____ it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it (3)_____ have been fine

It (4)_____ have been fine

Then I would have (5)_____ too and I guess

I would have had a (6)_____ time...

If you'd told me from the start that you're playing

Around it would (7)_____ been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I (8)_____ (9)_____ not see (10)_____ games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would still love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me from the start (11)_____ you're playing

Around it would (12)_____ (13)_____ fine

It would have been fine

Then I would have played too and I guess

I (14)_____ have had a good time

I would have had a good time

If you'd told me (15)_____ the (16)_____ that you're playing

Around it would (17)_____ been fine

It (18)_____ have been you baby

Then I would have played too and I guess

I would have had a good time

(Your love was sent from up above)

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So (19)_____ fine)

If you'd told me (20)_____ the start that you're playing

Around it would have been fine

If you (21)_____ me

Then I would have played too and I guess

I (22)_____ have had a good time

Feel good time, feel good time

Feel good time, feel good time

If you'd told me from the start (23)_____ you're playing
