Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

Guess I wasn't too bright

And I really wasn't learning

Should have (1)_____ it all along

All (2)_____ sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me (3)_____ it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it (4)_____ have been fine

It would have been fine

Then I would (5)_____ played too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it (6)_____ have been fine...

Then I would have (7)_____ too and I guess

Something didn't feel right

And I wish I knew it
