Why would you bring me so (4) pain I would stil love for you, 'cause I did adore you
While my dogs would chew you out
Tried to be so nice on those lonely nights
(On those lonely, lonely, lonely nights)
But I should have figured you out
If you'd told me from the (5) that you're playing
Around it would have been fine
It would have been fine
Then I would have played too and I guess
I would have had a good time
I would have had a good time
If you'd told me from the start that you're playing
Around it would have been fine
It would have been you baby
Then I would (6) played too and I guess
I would have had a good time
Baby you're so fine
(You are the one that I love)
You are so fine
(Your love was (7) from above)
You are so
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine)
(So doggone fine)
Baby you're so fine
(You are the one (8) I love)
You are so fine, fine
(Your love was sent from up above)
Oh you're mall of mine

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)
