

Fill in the gaps

vveii, i was (1) but i washt haive	After all this time
I watched helpless	I never thought we'd be here
As you (2) around to leave	Never thought we'd be here
And still I (3) the (4) I have to carry	When my love for you is blind
A past so deep	But I couldn't (12) you see it
That even you (5) not bury if you tried	Couldn't (13) you see it
	That I (14) you more than you'll ever know
After all (6) time	A part of me (15) when I let you go
I never (7) we'd be here	After all (16) why
Never thought we'd be here	Would you (17) wanna leave it
When my love for you is blind	Maybe you could not belive it
But I couldn't make you see it	That my love for you is blind
Couldn't make you see it	But I couldn't make you see it
Well, I (8) fall asleep	Couldn't make you see it
Only in hopes of dreaming	That I (18) you more (19) you'll even
That everything would be like it was before	know
But (9) like this	When a (20) of me died when I let you go
It seems are slowly fleeting	That I (21) you more than you'll ever know
They dissapear as (10) is	When a part of me died when I let you go
(11) to the floor
