

Fill in the gaps

Un-Thinkable (I'm Ready) by Alicia Keys

Moment of honesty	It's (19) something that's impossible to ignore
Someone's gotta take the (1) tonight	It's (20) we make it
Who's it (2) be?	I was (21) maybe
I'm gonna sit right here	Could I make you my baby
And tell you all (3) to me	If we do the un-thinkable (22) it (23) us
If you (5) something to say	look crazy
You (6) say it right now	Or (24) it be so beautiful either way I'm sayin
(You should say it right now)	If you ask me I'm ready
You give me a feeling (7) I never felt before	If you ask me I'm ready
And I (8) it, I (9) I deserve it	Why give up (25) we try
It's becoming something that's impossible to ignore	Feel the lows before the highs
And I can't (10) it	Clip our (26) before we fly away
I was wondering maybe	I can't say I can't compare
Could I make you my baby	I'm suspended in the air
If we do the un-thinkable will it (11) us look crazy	Won't you come be in the sky with me?
If you ask me I'm ready	
If you ask me I'm ready	I was wondering maybe
I know you said to me	Could I (27) you my baby
"This is exactly how it should feel	If we do the un-thinkable will it make us look crazy
When it's meant to be"	Or would it be so beautiful either way I'm sayin
Time is only (12) so why wait for eventually	If you ask me I'm ready
If we gonna do something (13) it	If you ask me I'm ready
We (14) do it right now	If you ask me I'm ready
(We (15) do it right now)	If you ask me I'm ready
You give me a (16) (17) I	
(18) felt before	
And I deserve it, I know I deserve it
