And I deserve it, I know I deserve it

## Fill in the gaps

### Un-Thinkable (I'm Ready) by Alicia Keys

Moment of honesty	It's become something that's impossible to ignore
Someone's gotta take the (1) tonight	It's what we make it
Who's it gonna be?	I was wondering maybe
I'm gonna sit right here	Could I (5) you my baby
And tell you all that comes to me	If we do the un-thinkable will it make us look crazy
If you have something to say	Or would it be so beautiful either way I'm sayin
You should say it right now	If you ask me I'm ready
(You should say it (2) now)	If you ask me I'm ready
You give me a feeling that I never felt before	Why give up before we try
And I deserve it, I know I deserve it	Feel the (6) before the highs
It's becoming something that's impossible to ignore	Clip our wings (7) we fly away
And I can't take it	I can't say I can't compare
I was (3) maybe	I'm (8) in the air
Could I make you my baby	Won't you come be in the sky with me?
If we do the un-thinkable will it make us look crazy	
If you ask me I'm ready	I was wondering maybe
If you ask me I'm ready	Could I make you my baby
I (4) you said to me	If we do the un-thinkable will it make us (9) craz
"This is exactly how it should feel	Or would it be so beautiful either way I'm sayin
When it's meant to be"	If you ask me I'm ready
Time is only wasting so why wait for eventually	If you ask me I'm ready
If we gonna do something about it	If you ask me I'm ready
We should do it right now	If you ask me I'm ready
(We should do it right now)	
You give me a feeling that I never felt before
