## Fill in the gaps

### Comfortably Numb (Cover) by Staind

Hello	It just a (11) pinprick
Is there anybody in there?	There'll be no (12) (ahh)
Just nod if you can (1) me	You may feel a (13) sick
Is there anyone at home?	Can you stand up?
Come on, now	I do (14) it's working, good
I hear you're feeling down	That'll keep you going for the show
I can ease your pain	Come on, it's time to go
Get you on (2) feet again	There is no pain, you are receiving
Relax	A distant (15) smoke on the horizon
Need some information first	You're only (16) ir
Just the (3) facts	waves
Can you show me (4) it hurts?	Your (18) move
There is no pain, you are receiving	But I can't (19) what you're saying
A (5) ships smoke on the horizon	I was a child
You're only (6) through in waves	I (20) a (21) glimpse
Your lips move	Out of the corner of my eye
But I can't hear (7) you're saying	I turned to look but it was gone
I was a child, I (8) a fever	I (22) put my finger on it now
My hands (9) just like two balloons	The (23) is grown, the dream is lost
Now I've got that fever once again	And I have become comfortably numb
Can't explain, you would not understand	I have (24) (25)
This is not how I am	numb
I have (10) comfortably numb	
Okay
