Comfortably Numb (Cover) by Staind

Hello	It (5) a little pinprick
Is there anybody in there?	There'll be no more (ahh)
Just nod if you can hear me	You may feel a little sick
Is there anyone at home?	Can you stand up?
Come on, now	I do believe it's working, good
I hear you're feeling down	That'll keep you going for the show
I can ease your pain	Come on, it's time to go
Get you on your (1) again	There is no pain, you are receiving
Relax	A distant (6) (7) on the horizon
Need some information first	You're only coming through in waves
Just the basic facts	Your lips move
Can you show me where it hurts?	But I can't hear (8) you're saying
There is no pain, you are receiving	I was a child
A distant ships (2) on the horizon	I caught a fleeting glimpse
You're only coming through in waves	Out of the corner of my eye
Your lips move	I (9) to look but it was gone
But I can't hear what you're saying	I cannot put my finger on it now
I was a child, I caught a fever	The child is grown, the dream is lost
My hands felt just like two balloons	And I have become comfortably numb
Now I've got (3) fever once again	I have become (10) numb
Can't explain, you would not understand	
This is not how I am	
I have become (4) numb
