

Fill in the gaps

I can't make my own decisions	I might have to bend it back
Or (1) any with precision	Or break it, (11) it off
Well maybe you (2) tie me up	Next time you point a finger
So I don't go (3) you don't want me	I'll point you to the mirror
You say that I been changing	This is the last second chance
That I'm not just (4) aging	(I'll point you to the mirror)
Yeah, how could that be logical?	I'm half as good as it gets
Just (5) on cramming (6) down my	(I'll (12) you to the mirror)
throat	I'm on both sides of the fence
(Oh oh oh ohhhh)	(I'll point you to the mirror)
You don't have to believe me	Without a (13) of regret
But the way I, way I see it	I'll (14) you to it
Next (7) you point a finger	I know you don't believe me
I might have to bend it back	But the way I, way I see it
Or break it, break it off	Next time you point a finger
Next time you point a finger	I might (15) to (16) it back
I'll point you to the mirror	Or (17) it, (18) it off
If God's the game that you're playing	Next (19) you point a finger
Well we (8) get more acquainted	I'll point you to the mirror
Because it has to be so lonely	I know you won't believe me
To be the only one who's holy	But the way I, way I see it
It's (9) my humble opinion	Next time you (20) a finger
But it's one that I believe in	I (21) it bac
You don't deserve a point of view	Or break it, break it off
If the only thing you see is you	Next time you point a finger
(Oh oh oh ohhhh)	I'll point you to the mirror
You don't have to believe me	
But the way I, way I see it	
Next (10) you point a finger
