Fill in the gaps

So Far Gone by James Blunt

Tell me the wars you're fighting
Behind the smile you're hiding
All of the things I know you (1)_____ to say
We tried our best to find us
But there are no lights to guide us
I can't sleep beside a stranger now
And piece by (2)_____ we fall apart
But every beat slows down my heart
So I'll just say what you won't say
And I'll take the blame if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone
I've (3)_____ hard to remember
This prison cell (4)_____ to be a shelter
Now we're (5)_____ looking for the best way out
And I can't fight you anymore
You're already one (6)_____ out the door
So I'll just say what you won't say
And I'll take the blame if it's for your sake
No turning back on (7)_____ you can't save
So far gone
Yeah, we're so far gone
And this is the face of (8)_____ go
And these are the (9)_____ we already know
So I'll just say what you won't say
And I'll take the blame if it's for your sake
No turning back on what you can't save
So I'll (10)_____ say what you won't say (won't say)
And I'll take the blame if it's for your sake (your sake)
No turning back on what you can't save
So far gone
Yeah, we're so far gone
Yeah, we're so far gone
So I'll just say what you won't say
