

Fill in the gaps

She came from Greece	Smoke (10) fags and (11) some pool
She had a thirst for knowledge	Pretend you never (12) to school
She (1) sculpture at Saint Martins College	But still you'll never get it right
That's where I	'Cos when you're laying in bed at night
Caught her eye	Watching roaches climb the wall
She told me that her dad was loaded	If you (13) your dad he could stop it all, yeah
I said, "In that case I'll have rum and Coca-Cola"	You'll never live like common people
She said, "Fine"	You'll never do whatever (14)
And then in thirty seconds' time, she said	(15) do
"I wanna live like common people	Never (16) (17) common people
I wanna do whatever common people do	You'll never watch your life slide out of view
Wanna sleep with common people	And then dance and drink
I wanna sleep with common people like you"	Because there's nothing else to do
Oh, (2) could I do?	Sing along (18) the common people
I said, "I'll, I'll see (4) I can do"	Sing along and it might just get you through
I took her to a supermarket	Laugh along (19) the common people
I don't know why, but I had to start it somewhere	Laugh along even though they're laughing at you
So it started there	And the stupid (20) that you do
I said: "Pretend you've got no money"	Because you think that poor is cool
And she (5) laughed and said, "Oh, you're so	Wanna live with common (21) like you
funny"	Wanna live with common (22) like you
I said, "Yeah? Huh	Wanna live with common people like you
I can't see anyone else smiling in here	Wanna live (23) (24) people
Are you sure	(25) you
You wanna (6) (7) common people	Wanna (26) (27) (28)
You (8) see whatever common people see	people like you
Wanna (9) with common people	Wanna live with common people like you
You wanna sleep with common people like me?"	Oh, la la la la
But she didn't understand	Oh, la la la la
She just smiled and held my hand	Oh, la la la la la la
Rent a flat above a shop	Oh, yeah
Cut your hair and get a job
