

## Fill in the gaps

She waits alone, on every hight	There is no love like the love of your first love
Tears are in her eyes	It's so true
She has lost all the love she had	Your love will never leave you
She lived her life for Him each day	Tears in the night
She (1) it all away	Filled with pain
To live for (2) live her life her way	You're running from the love
There is no love like the love of your first love	That you had (14) you cried out for
It's so true	(15) first love
It's for you as you are	There is no love like the love of your first love
Tears in the night	It's so true
Filled (3) pain	Your (16) will (17) leave you
You're (4) (5) the love	Tears in the night
That you had once (6) (7) first	Filled with pain
love	You're running (18) the love
Someone to hold you (8) the pain	That you had (19) you cried out for
To (9) you smile again	(20) first love
And to (10) you forever	Tears in the night
Someone to take your fears away	Filled with pain
To help you through each day	You're (21) from the love
To (11) you (12) you (13)	That you had (22) you (23) out
can't go on	for your (24) love
