(1)	when you use to take me	You've given me such security
On a bike ride everyday on the bayou		No matter what mistakes I know you're there for me
(You remember that? We were inseparable)		You cure my disappointments and you heal my pain
And I remember (2) you could do no wrong		You understand my fears and you protected me
You'd come home from work		Treasure every extraordinary memory and that's why
And I jumped in your arms when I saw you		(I want) My unborn son to be like my daddy
(I was so excited)		I want my husband to be like my daddy
was so happy to see you (so happy to see you)		There is no one (5) like my daddy
Because you loved me I overcome (yeah)		And I thank you (thank you) for loving me
And I'm so proud of what you've become (yeah)		Even if my man broke my heart today
You've given me such security		No matter how (6) (7) I'm in I will be
No matter what mistakes I know you're there for me		okay
You cure my disappointments and you heal my pain		'Cause I got a man in my life that can't be replaced
You understood my fears and you protected me		For this love is (8) it won't
Treasure every irreplaceable memory and that's why		go away
want my (3) son to be like my daddy		I know I'm lucky
want my husband to be like my daddy		Know it ain't easy
There is no one else like my daddy		For men who take care of their responsibilities
And I thank you (thank you) for loving me		Love is overwhelming
still remember the expression on your face		Lord why did you pick me
When you found out I'd been on a date		Can't stop my tears from falling
And had a boyfriend		I love you so much daddy
(My first boyfriend, you should have seen (4) face)		(Thank you, you've done so much for me)

Could have said	Beyonce I told you so	you
nstead you said you'd get one too		I get so (10) daddy, every time I think
(Even my mama said y'all get one just like mine)		of you
